Miss Saby Davis
W68R
Smith College
North Hampton, Mass.

Dear Saby:

Thank you for your letter of October 2. At present, WRTC is busy putting together their program schedule for the 1954-55 season. Changes in announcers and formats are taking place constantly during the first few weeks of operations. Because of the instability of our present schedule, I feel it would be difficult to accept your kind invitation for now.

As things begin to get down to normal, we will be able to consider broadcasting over Smith Radio. Since Thanksgiving is over a month away, there is a good possibility that we could broadcast somewhere around the 25th of November, but for the next few weeks, it would be impossible.

I will contact you when I feel we will be ready to give it a whirl.

Sincerely yours,

Donald F. Shelly
Donald F. Shelly
